On 8 December 2020, Pope Francis announced that there would be a Year of St Joseph from 8 December 2020 to 8 December 2021. This was to celebrate the 150th anniversary of St Joseph being declared the Patron of the Universal Church. To join in these celebrations the Diocese has produced a Novena to St Joseph leading to his feast day 19 March. The Novena takes as its focus the different groups or causes that claim St Joseph as their Patron Saint, as well as the themes of Pope Francis' letter launching the year. The Novena can be downloaded as a whole booklet from the Nottingham diocesan website or you can email: adult.formation@dioceseofnottingham.uk with 'St Joseph Novena' in the subject line to receive daily emails with the prayers for that day between 10-18 March.

Walking with Christ on the Way of the Cross, in the Time of the COVID-19 Pandemic - Online Resource for Lent 2021: The Stations of the Cross begins and ends in the beautiful Pugin Blessed Sacrament Chapel of the Cathedral of St. Barnabas. As we journey together with Christ on the road towards Calvary, so we meditate and pray at different Stations along the way, where we hear short meditations and reflections from several students, filmed by them from wherever they are based during this time of the Pandemic. <https://youtu.be/dQ09wqJcxX0>

Dementia Prayer Week: Advance notice of the Prayer Week which takes place between 12th-19th March. Frances Molloy of the Pastoral Care Project has asked that this information be publicised in all the dioceses of England and Wales. For more information and resources please visit <https://www.rbbooks.co.uk/dementia-prayer-week>

Lenten thoughts from the Laudato Si Animators "...creation can only be understood as a gift from the outstretched hand of the Father of all, and as a reality illuminated by the love which calls us together into universal communion." Laudato Si (LSI) 76

"Lent can foster what is essential at this time: honesty and hope 'Rend your hearts, not your garments' the season begins. We are summoned to be broken open and remain open for forty days. We are invited to look at our beliefs, decisions, and actions and the ways they affect not only our personal lives but the lives of all on this planet. We can allow God to expose the places in our hearts that suffer from the illusion that we are separate and apart – this is the real work of Lent" (*Quantum Grace: Lenten Reflections on Creation and Connectedness*, Judy Cannato. (American Catholic author, retreat facilitator, and spiritual director who died in 2011).

As we enter Lent during a pandemic which has taken so much away from us, can we open our hearts to see with God's loving eyes what we have been given. Can we begin to see creation as a gift from God calling us into universal communion with each other, not universal consumption for ourselves? Can we embrace the true role of humans to take responsibility for all sectors of our common home? Can we become 'servant rulers' operating out of love, compassion and justice for all of creation, instead of squeezing the life out of everything?

"God created man in his own image, in the image of God Rule over the fish of the sea and the birds of the air and over every living creature." Genesis 1 v 27,28 (NIV)

Speaking to shepherds, "You have not strengthened the weak or healed the sick or bound up the injured. You have not brought back the strays or searched for the lost. You have ruled them harshly and brutally." Ezekiel 34 v 4 – 9 (NIV)

"And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God" Micah 6 v 8 (NIV)

God expects His rulers to be different, to be servant rulers who exercise their dominion with love and compassion, working for justice and against oppression.

We can look to the sacrificial life of Jesus to inspire us to sacrifice our over-consumption for a commitment to Live Simply both within our parishes and individually. As we allow our vision to expand, realising we are part of and intrinsically connected with all that God created, we will begin to behave more responsibly.

The LSI Animators strive to "... see God in all that exists" so that "our hearts are moved to praise the Lord for all his creatures and to worship him in union with them. This sentiment finds magnificent expression in the hymn of St Francis of Assisi: Praised be You my Lord with all Your creatures" LSI 87

The Climate Coalition, supported by 25 organisations, says, 'The Time is Now'. 'The Time is Now' for every parish church to work towards a Live Simply award. We can all start an individual journey, but have we all spoken to the CAFOD / Mission group in our churches and offered help to start or join their journey? <https://cafod.org.uk/Campaign/Livesimply-award>
There are lots of helpful ideas for churches and individuals in the Eco Church website too: <https://ecochurch.arochoa.org.uk>

PRAYER FOR THIS LENTEN FAST: Loving God, we hear your call to all who thirst for a brighter future: Come to the water. Pour out your Spirit upon us and lead us to walk alongside one another. Let a desire for change well up within us. May we overflow with compassion and love. And as a stream wears away stone, may we reshape our world together to reflect your kingdom of hope for all. Amen.

LIVESTREAMING: Our livestreaming service can be accessed at www.churchservices.tv/lincoln or through the 'web-cam' tab on the parish website. Sunday Mass will be at 9am and weekday Mass will usually be at 9.30am although check the newsletter and the on-line schedule for any changes. If you can't make Mass 'live' then a recording will usually be available within an hour of the end of Mass.

AN ACT OF SPIRITUAL COMMUNION

My Jesus, I believe that You are present in the Most Holy Sacrament.
I love You above all things and I desire to receive You into my soul.
Since I cannot at this moment receive You sacramentally,
come at least spiritually into my heart.
I embrace You as if You were already there
and unite myself wholly to You.
Never permit me to be separated from You. Amen
