#### **A PRAYER FOR THE COP26 CLIMATE TALKS which run to 12 November**

Loving God, We praise your name with all you have created.

You are present in the whole universe, and in the smallest of creatures.

We acknowledge the responsibilities you have placed upon us as stewards of your creation. May the Holy Spirit inspire all political leaders at COP26 as they seek to embrace the changes needed to foster a more sustainable society. Instil in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable and commit their nations to the care of Our Common Home. We ask this through Our Lord Jesus Christ your Son.  
Amen.

Hello all you **Live Simply** challengers the points total for October is: 3205. This is a spectacular total even given that contained in this amount are some back dated months. It is fine if you find you have missed a month or two, you all have busy lives and I quite understand if you forget to send in your total every month. The absolute main thing about taking the challenge is to alter the routines in our lives to better help our delicate environment. So well done, keep up the good work and we will have our own COP 26! Tony.

**MASSES AT SSPP:** Please do arrive in good time for the Mass. Whilst the heating will be on, the doors will continue to be open to aid good ventilation and to help reduce the risk of transmission of COVID-19, therefore please do wear something warm. If you have the NHS COVID-19 app installed on your smartphone, you can help prevent the spread of coronavirus by scanning the QR code as you enter. Please do continue to exercise personal and social responsibility by wearing a face covering, (unless you are medically exempt), sanitising your hands when entering and leaving the Church or Parish Centre, moving around in the Church and Parish Centre. Please do be conscious of each other's personal space and act in a responsible manner. If you are feeling unwell and experiencing symptoms of Coronavirus, please stay at home.

**'A CHANGE OF ERA' – 20<sup>th</sup> November:** Hard on the heels of COP26, join our online Diocesan Justice and Peace Assembly, with Bishop Patrick and parishioners from around our Diocese, and two high-profile keynote speakers: Lord Deben, Chair of the Climate Change Committee (advises the Government on climate policy) and Raymond Friel, Chief Executive of Caritas Social Action Network. Pope Francis has said 'We do not live in an era of change so much as a change of era'. There is no doubting his words. Covid-19 is still rife worldwide and climate change is accelerating. In these turbulent times, three things abide: faith, hope and love. You will be warmly welcome to join by Zoom from 10am-1.15pm, to listen and share what the Spirit is saying to the Church – particularly as parish communities called to mission in the wake of Covid-19 and the Glasgow climate summit the previous week.
