Outward focus on Heritage
and Culture

Collectively we aim to build a stronger more visible role in the community with greater physical presence and religious and social outreach.

The Friends

Another dimension to the Cathedral Mission

Mission Statement

Our aim is to support the Diocese's outward looking mission by developing and sponsoring projects and events which:

- Protect and preserve the heritage and tradition of the cathedral
- Become a 'landmark destination' within the City, and attract greater footfall
- Promote greater social outreach to the City, Diocese and Region at large, especially newcomers
- Provide focal point to support Cathedral outreach activities, music and choral programmes
- Raise funds to support the Cathedral
- Have fun and promote community!
